

SUPPLEMENTAL FORMS | FORM 3A – FAMILY PROCEEDING

You MUST provide a copy of each of the below requested documents.

If you do not have copies of some/all of the below records, and the court no longer has these records either, providing documentary evidence from the court confirming their unavailability may avoid delay in the processing of your application.

- Complaint/Petition and Answer: Provide copy of the parties' initial pleadings in this case.
All Disposition Order(s): Provide a copy of all orders disposing of issues/claims in the case, including (where applicable) a copy of any divorce decree or judgment, dismissal order, order determining custody, order for child or spousal support, etc.
Any Continuing Modified Order(s): If the initial order(s) for custody, support, etc. no longer govern the parties and issues because they have been modified since the initial disposition of this matter, provide a copy of the modified order(s) that are currently in effect.
Other Documents (if applicable): If there are additional substantive documents that you believe are important to understanding this matter or that you wish to provide, please do so. Depending on the case, the Board may need additional documents. If there are significant filings that have not been attached and you have a copy of the case docket or are able to access it online, providing a copy may speed up that determination.

This FORM 3A supplements Question 4.06A.

A separate Form 3A must be completed for EACH proceeding that is responsive to this question.
